FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

Analysis

Statutes require the Alaska Judicial Council to file a statement with the Lieutenant Governor reflecting its evaluation of each justice or judge standing for retention. The statement is then published in the Official Election Pamphlet and distributed to voters. SB129 would increase the amount and type of information required to be submitted by the Judicial Council to the Lieutenant Governor for inclusion in the Official Election Pamphlet.

No fiscal impacts are expected from the bill as currently written, because most of the information required by the bill already is collected by the Judicial Council during the course of its existing duties. If the information required to be added changes significantly, the Council would need to re-analyze any fiscal impact.
